

DO GOOD, FEEL GOOD.

THANK YOU!

We're incredibly proud that our services are free for our patients and those close to them.

We have to raise £2.5 million each year to maintain our services. That's why we are so grateful for the support of businesses in our local community.

My role at the hospice is to work with our wonderful Barnsley businesses - spreading the word about our services and how you can help us.

If you are able to support the hospice, I will be on hand to answer any questions you have, guide you on your fundraising journey and help you get the most from raising funds for the hospice!

If you want to find out more about getting involved, scan the QR code below or you can find my contact details on the reverse.

Thank you so much for taking the time to consider supporting Barnsley Hospice.

ABOUT THE HOSPICE

We are a charity providing specialist palliative and end of life care to local people living with a life-limiting illness, and those close to them. These conditions include cancer, heart and lung diseases and neurological diseases such as motor neurone disease and Parkinson's disease.

WHAT OTHERS SAY

"Barnsley Hospice is at the centre of community life and a large number of us at Lifetime have been touched by them in some way, so it is a perfect match for us to support them. We are proud to do so, they do such a fantastic job."

-William Bottomley,
Director at Lifetime.
